Applies to: chavee.in, the Chavee mobile/web application, and all associated communities, events, and gig listings operated by Chavee (“Chavee”, “we”, “us”, “our”).

1. Introduction & Acceptance

Chavee is India’s student social networking platform, built around four pillars — Learn, Earn, Network, and Events. These Community Guidelines (“Guidelines”) govern how members interact with each other, with mentors and institutional partners, and with content on the platform.

By creating an account or otherwise using Chavee, you agree to these Guidelines, along with our Terms of Use and Privacy Policy. These Guidelines are incorporated by reference into our Terms of Use and are enforceable under the Information Technology Act, 2000 and the rules made thereunder.

2. Eligibility & Age Requirements

- **Minimum age:** Chavee is intended for users aged 13 years and above. Users below 18 years are classified as “children” under the Digital Personal Data Protection Act, 2023 (“DPDP Act”).
- **Verifiable parental/guardian consent:** Where a user is under 18, Chavee requires verifiable consent from a parent or lawful guardian before processing that user’s personal data, in accordance with Section 9 of the DPDP Act and Rule 10 of the DPDP Rules, 2025.
- **No tracking of minors:** Chavee does not carry out behavioural monitoring, tracking, or targeted advertising directed at users identified as minors, and does not process minors’ data in any manner detrimental to their well-being.
- **Institutional/college accounts:** Where Chavee partners with colleges for workshops or co-branded courses, participant data collected through the institution is subject to a separate data-sharing understanding with that institution.
- **Misrepresentation of age:** Providing false age information to bypass these protections is a violation of these Guidelines and may result in account suspension.

3. Account Responsibilities

- One person, one account. Impersonation of another person, brand, or institution is prohibited.
- You are responsible for all activity under your account and for keeping your login credentials confidential.
- Accounts used for spam, bot activity, fake engagement, or automated scraping will be suspended.
- Chavee may request additional verification (student ID, institutional email, etc.) to confirm eligibility for student-only features.

4. Prohibited Content & Conduct

The following are strictly prohibited on Chavee, in line with the Information Technology (Intermediary Guidelines and Digital Media Ethics Code) Rules, 2021 (“IT Rules, 2021”):

- **Unlawful content:** Anything that is defamatory, obscene, paedophilic, invasive of another’s privacy, hateful, or that threatens the unity, integrity, defence, security or sovereignty of India.
- **Harassment & bullying:** Targeted harassment, threats, hate speech, or content demeaning any individual or group based on religion, caste, gender, ethnicity, disability or sexual orientation.
- **Sexual content involving minors:** Zero tolerance. Any such content will be reported to law enforcement and the National Cybercrime Reporting Portal without prior notice.
- **Impersonation & morphed images:** Sharing another person’s photo/likeness in a morphed or misleading manner is prohibited and will be removed within 24 hours of a valid complaint, as required under the IT Rules, 2021.
- **Academic dishonesty:** Selling or soliciting exam papers, assignments-for-cash in a manner that facilitates cheating, or impersonating an examination body.
- **Fraud & financial scams:** Fake gig listings, advance-fee scams, pyramid/MLM schemes, or misrepresenting earning potential.
- **Misinformation:** Knowingly false information likely to cause public harm, panic, or that interferes with elections or public order.
- **IP infringement:** Posting copyrighted material, pirated course content, or another party’s trademarked material without authorisation.
- **Malicious code & security:** Uploading viruses, malware, or attempting to breach Chavee’s systems or another user’s account.
- **Off-platform solicitation:** Using Chavee’s network/mentor features to solicit users into unrelated commercial schemes without disclosure.

5. Gigs, Mentorship & Paid Courses

- Gig posters must accurately describe the work, payment terms, and timelines. Non-payment or misrepresentation of a gig is grounds for account action.
- Mentors and paid-course providers must not guarantee placements, salaries, or outcomes that cannot be substantiated.
- Chavee’s commission structure, refund eligibility, and cancellation terms are set out in the separate Refund & Cancellation Policy and apply to all paid modules.
- Any payment or escrow dispute is first routed through Chavee’s grievance mechanism (Section 8) before external recourse.

6. Content Ownership & Licence

You retain ownership of content you post on Chavee (posts, reels, portfolio items, gig listings). By posting, you grant Chavee a non-exclusive, royalty-free, worldwide licence to host, display, and distribute that content within the platform and in Chavee’s own promotional material, unless you opt out in your account settings where such an option is available.

Chavee respects intellectual property rights. Repeat infringers, upon valid takedown requests, will have their accounts suspended.

7. Data Privacy

Personal data is collected and processed strictly in accordance with our Privacy Policy and the DPDP Act, 2023. Users (or, for minors, their parent/guardian) may request access, correction, or deletion of personal data, and may withdraw consent at any time, subject to the terms of the Privacy Policy.
